

# MID-UNION SLED HAULERS (M.U.S.H.)

## PARTICIPATION PATCH APPLICATION 2013-2014

The M.U.S.H. Active Member Participation Patch Program seeks to recognize participating volunteer members, whom are in current membership standing. Those members seeking this recognition must have actively contributed throughout the present season by physically participating at more than 50% of scheduled M.U.S.H. events or by including one or more of the listed exceptions. Each season refers to the time period of the Fall Meeting through the Spring Meeting.

The only exceptions to not physically present at M.U.S.H. Rig Sessions or Races are by completing one or more of the following events: hosting a demo on behalf of M.U.S.H.; and/or actively participating in a clean-up project in preparation for the season. If you have completed any of the listed exceptions above but have missed a rig or race session, you may use one listed exception to qualify for one missed Rig or Race Session.

This form must be completed by the applicant and received by: Sharon Love, M.U.S.H. Participation Program Coordinator, one week prior to the 2014 Spring Meeting.
